Hi Jordan.

Thanks for reaching out and you bet – just confirmed w/ DSD that no later than 4p would be ideal for your materials, please. He has a small window at 4p to review. On that note, if you are around, I wouldn't be surprised if he wanted to call an audible (very common of him).

Appreciate everyone's help!!

Team,

DSD has some edits. Who has point, please? He's ready to share them now (we have 30 mins of office time).

Sarah: just called hoping you could come. Jordan, Sharon, don't see your phone #s in the email trails.

Jordan.

I believe Tony and Sharon spoke and she's coming to DSD's office.... Wants to give the feedback / edits directly.

Thank you,  
Jillian
